New Ways to Wear a T-Shirt Infinity Scarf

Materials: Sewing materials, one fun colored t-shirt, and scissors

1. Cut your shirt horizontally all the way across at 1/3 and 2/3s of the way up

2. Once your shirt is in three sections, cut along the left seam of the middle and bottom

3. Then sew the two open edges together, to create one big loop. Now you have a DIY inifinity scarf!
